What does the Fund invest in?

The Fund aims to provide capital appreciation and income with a focus on capital preservation. It will achieve this by investing in a portfolio of Canadian equity and fixed income securities, with the equity portion comprising between 30% and 70% of the Fund's assets and the balance allocated to fixed income securities and cash. The Fund may invest up to 30% of its assets in foreign securities. The Fund is new, and is accordingly unable to disclose its investment portfolio. The Fund's investments will change.

Top 10 Investments of IA Clarington Canadian Balanced Class

Because the Fund is new, its top 10 investments are not available. The Fund will be required to prepare a list of its top 25 holdings on a quarterly basis. These reports will be available on our website, www.iaclarington.com.

Investment mix

Because the Fund is new, its investment mix is not available. The Fund will be required to provide a summary of its investment mix on a quarterly basis. These reports will be available on our website, www.iaclarington.com.

How has the Fund performed?

We are unable to show performance because the series is less than 12 months old.

How risky is it?

When you invest in a fund, the value of your investment can go down as well as up. We rate the Fund's risk as low to medium. For a description of the specific risks of the Fund, see the Fund's simplified prospectus.

Are there any guarantees?

Like most mutual funds, this Fund doesn't have any guarantees. You may not get back the amount of money you invest.

A word about tax

Usually, you will pay income tax on your share of the Fund's income and capital gains if you hold your investment in a non-registered account. Clarington Sector Fund Inc., a mutual fund corporation of which the Fund is a separate class, may pay to shareholders ordinary dividends annually in December and capital gains dividends annually in February, if necessary to reduce its liability for tax. We will send you a tax slip regarding these dividends.

Also, you will usually pay income tax on any increase in the value of your investment when you redeem your investment. You must calculate the amount of your gains.

Who is this Fund for?

Investors who:

- Seek capital appreciation and income;
- Have low to medium risk tolerance;
- Plan to invest over the medium to long term.

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk, or consult your advisor.

IA Clarington Canadian Balanced Fund may be more appropriate for registered investment accounts. Ask your advisor about which option may be suitable for you.

How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series E shares of the Fund. The Fund has other series. The fees and expenses are different for each series. Ask your advisor about other series that may be suitable for you.

Sales charges

Sales charge option	What you pay in %	What you pay in \$	How it works
Front End Option	0% to 5% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	You negotiate this commission with your advisor's dealer. The commission is deducted from the amount you invest. You pay it to your advisor's dealer at the time of purchase. You do not have to pay us a fee if you sell or switch your investment.

Fund Expenses

The series did not exist in 2010, and a management expense ratio and trading expense ratio are not yet available for it. The series' expenses are made up of the management fee, operating expenses, trading costs and taxes. The series' management fee is 1.75% of the net asset value on an annual basis. Because this series is new, its operating expenses and trading costs are not yet available.

Fees	Annual Rate % of the Fund's net asset value
Management Expense Ratio (MER) This is the total of the management fees and operating expenses.	N/A
Trading Expense Ratio (TER) These are the Fund's portfolio trading costs.	N/A
Fund expenses This is the total of the MER and TER and is not a separate expense charged to the Fund.	N/A

Trailing Commission

The trailing commission is paid to your advisor's dealer for as long as you own the Fund. We pay the trailing commission out of the management fee paid to us. It is for the services and advice about the Fund your advisor provides to you. The dealer may pay all or part of the trailing commission to your advisor. The rate depends on the sales charge option that you choose.

Sales charge option	Trailing commission
Front End Option	1.00% (\$10 per \$1,000 investment each year)

Other Fees

You may have to pay other fees when you sell or switch shares of the Fund.

Fees	What you pay
Short-term trading fee	You may be charged 2.00% of the value of the shares you sell or switch within 90 days of purchase. This fee goes to the Fund.
Switch fee	Your advisor's dealer may charge you up to 2.00% of the value of the switched shares.

What if I change my mind?

Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy securities of a mutual fund within two business days after you receive a copy of the simplified prospectus; or
- cancel your purchase within 48 hours of receiving confirmation of your purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, annual information form or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory. For more information, see the securities law of your province or territory or ask a lawyer.
