### Are there any guarantees?

Like most mutual funds, this Fund doesn't have any guarantees. You may not get back the amount of money you invest.

### A word about tax

Usually, you will pay income tax on your share of the Fund's income and capital gains if you hold your investment in a non-registered account. Clarington Sector Fund Inc., a mutual fund corporation of which the Fund is a separate class, may pay to shareholders ordinary dividends annually in December and capital gains dividends annually in February, if necessary to reduce its liability for tax. We will send you a tax slip regarding these dividends.

Also, you will usually pay income tax on any increase in the value of your investment when you redeem your investment. You must calculate the amount of your gains.

### Who is this Fund for?

#### Investors who:

- Seek dividend income with the possibility for capital appreciation\*;
- Have medium risk tolerance;
- Plan to invest over the medium to long term.

**Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk, or consult your advisor.**

IA Clarington Dividend Growth Fund may be more appropriate for registered investment accounts. Ask your advisor about which option may be suitable for you.

\*Distributions on this series may include a return of capital, which can erode the value of your investment.

### How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series T6 shares of the Fund. The Fund has other series. The fees and expenses are different for each series. Ask your advisor about other series that may be suitable for you.

#### Sales charges

You have to choose a sales charge option when you buy securities of the Fund. Ask your advisor about the advantages and disadvantages of each option.

Sales charge option	What you pay in %	What you pay in \$	How it works
<b>Front End Option</b>	0% to 5% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	You negotiate this commission with your advisor's dealer. The commission is deducted from the amount you invest. You pay it to your advisor's dealer at the time of purchase. You do not have to pay us a fee if you sell or switch your investment.
<b>Low Load Option</b>	If you hold your investment for 3 years, you do not pay a redemption fee. If you sell within 3 years of purchase, you have to pay a fee. If you sell within: 1 year of buying: 3.00% 2 years of buying: 2.50% 3 years of buying: 2.25% After 3 years: 0.00%	If a redemption fee applies, \$0 to \$30 on every \$1,000 you bought; amount depends on the date of redemption.	We pay your advisor's dealer a commission of 2.5% of the amount you invest. The commission is not deducted from your investment. You pay us a redemption fee (calculated as a percentage of the amount invested) if you sell your investment within three years of purchase, or switch your investment to another sales charge option. You can switch to securities of another fund under the Low Load Option without paying any redemption fees at the time of the switch. The redemption fee schedule will be based on the date you bought the first fund.

### Sales charges

You can sell or switch up to 10% of your investment each year without paying the redemption fee. You can switch to securities of another fund under the DSC Option without paying any redemption fees at the time of the switch. The redemption fee schedule will be based on the date you first bought the first fund.</p>

### Fund Expenses

You don't pay these expenses directly. They affect you because they reduce the Fund's returns. As at December 31, 2010, the series' expenses were 2.53% of the net asset value. This equals \$25.30 a year for every \$1,000 invested.

Fees	Annual Rate % of the Fund's net asset value
<p><b>Management Expense Ratio (MER)</b> This is the total of the management fees and operating expenses for Series T6 shares of the Fund, including taxes. We absorbed some of the series' expenses. If we had not done so, the MER would have been higher.</p>	2.53%
<p><b>Trading Expense Ratio (TER)</b> These are the Fund's portfolio trading costs.</p>	nil
<p><b>Fund expenses</b> This is the total of the MER and TER and is not a separate expense charged to the Fund.</p>	2.53%

### Trailing Commission

The trailing commission is paid to your advisor's dealer for as long as you own the Fund. We pay the trailing commission out of the management fee paid to us. It is for the services and advice about the Fund your advisor provides to you. The dealer may pay all or part of the trailing commission to your advisor. The rate depends on the sales charge option that you choose.

Sales charge option	Trailing commission
Front End Option	1.10% (\$11 per \$1,000 investment each year)
Low Load Option	<p>First 3 years: 0.50% (\$5 per \$1,000 investment each year)</p> <p>Afterward: 1.10% (\$11 per \$1,000 investment each year)</p>
Deferred Sales Charge Option	<p>First 7 years: 0.50% (\$5 per \$1,000 investment each year)</p> <p>Afterward: 1.10% (\$11 per \$1,000 investment each year)</p>

### Other Fees

You may have to pay other fees when you sell or switch shares of the Fund.

Fees	What you pay
<b>Short-term trading fee</b>	You may be charged 2.00% of the value of the shares you sell or switch within 90 days of purchase. This fee goes to the Fund.
<b>Switch fee</b>	Your advisor's dealer may charge you up to 2.00% of the value of the switched shares.

### What if I change my mind?

**Under securities law in some provinces and territories, you have the right to:**

- withdraw from an agreement to buy securities of a mutual fund within two business days after you receive a copy of the simplified prospectus; or
- cancel your purchase within 48 hours of receiving confirmation of your purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, annual information form or financial statements contain a misrepresentation.
