## How has the Fund performed?

We are unable to show performance because the series is less than 12 months old.

### How risky is it?

When you invest in a fund, the value of your investment can go down as well as up. We rate the Fund's risk as medium. For a description of the specific risks of the Fund, see the Fund's simplified prospectus.

### Are there any guarantees?

Like most mutual funds, this Fund doesn't have any guarantees. You may not get back the amount of money you invest.

### A word about tax

Usually, you will pay income tax on your share of the Fund's income and capital gains if you hold your investment in a non-registered account. The Fund will distribute any income and capital gains annually in December such that it is not liable for income tax under the Income Tax Act (Canada). We will send you a tax slip that shows your share of the Fund's income and capital gains.

Also, you will usually pay income tax on any increase in the value of your investment when you redeem your investment. You must calculate the amount of your gains.

### Who is this Fund for?

#### Investors who:

- Seek dividend income with the possibility for capital appreciation\*;
- Have medium risk tolerance;
- Plan to invest over the medium to long term.

**Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk, or consult your advisor.**

\*Distributions on this series may include a return of capital, which can erode the value of your investment.

### How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series E6 units of the Fund. The Fund has other series. The fees and expenses are different for each series. Ask your advisor about other series that may be suitable for you.

#### Sales charges
