Are there any guarantees?

Like most mutual funds, this Fund doesn't have any guarantees. You may not get back the amount of money you invest.

A word about tax

Usually, you will pay income tax on your share of the Fund's income and capital gains if you hold your investment in a non-registered account. The Fund will distribute any income and capital gains annually in December such that it is not liable for income tax under the Income Tax Act (Canada). We will send you a tax slip that shows your share of the Fund's income and capital gains.

Also, you will usually pay income tax on any increase in the value of your investment when you redeem your investment. You must calculate the amount of your gains.

Who is this Fund for?

Investors who:

- Seek the possibility for capital appreciation;
- Have medium risk tolerance;
- Plan to invest over the long term.

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk, or consult your advisor.

How much does it cost?

The Fund does not pay us a management fee. Any management fees that you are required to pay us will be set out in the agreement between you and us. The following tables show the fees and expenses you could pay to buy, own and sell Series O units of the Fund. The Fund has other series. The fees and expenses are different for each series. Ask your advisor about other series that may be suitable for you.

Sales charges

This series is sold with no sales charge. Any redemption fees will be set out in the agreement between us and the investor.

Fund Expenses

You don't pay these expenses directly. They affect you because they reduce the Fund's returns. As at December 31, 2010, the series' expenses were 0.24% of the net asset value. This equals \$2.40 a year for every \$1,000 invested.

Fees	Annual Rate % of the Fund's net asset value
<p>Management Expense Ratio (MER) This is the total of the management fees and operating expenses for Series O units of the Fund, including taxes. We absorbed some of the series' expenses. If we had not done so, the MER would have been higher.</p>	0.11%
<p>Trading Expense Ratio (TER) These are the Fund's portfolio trading costs.</p>	0.13%
<p>Fund expenses This is the total of the MER and TER and is not a separate expense charged to the Fund.</p>	0.24%

Other Fees

You may have to pay other fees when you sell or switch units of the Fund.
