Portfolio Advisor

Industrial Alliance Investment Management Inc.

Marc Gagnon, CFA

- Portfolio Manager
- Over 17 years of investment experience
- Member of the IAIM Canadian equity team
- MBA Finance, Laval University

Key Reasons to Invest

- Focus on long-term growth of capital.
- Large-cap bias and diversification by sector.
- Active management of both risk and return.

Investment Approach

The portfolio managers employ a top-down economic view as well as a bottom-up fundamental analysis. The fund typically buys large cap securities and can invest up to 30% in foreign securities. They monitor and review investments on an ongoing basis to ensure that the best relative values are identified.

*On April 1, 2006, Industrial Alliance Investment Management Inc. assumed portfolio advisory responsibilities for the Clarington Canadian Equity Class. The Funds' investment strategy was changed as a result of this change. These changes could have affected the performance of the Funds. On July 19, 2010, the Fund changed its name to IA Clarington Canadian Growth Class.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Any indicated rates of return are the historical annual compounded total returns including changes in security value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
