## Portfolio Sub-Advisor

OppenheimerFunds Inc.

### Rajeev Bhaman, MBA, CFA

- Senior VP, Portfolio Manager
- Over 18 years of investment experience
- Previous experience managing the Oppenheimer Developing Markets Fund (1996 to 2004) and worked at Barclays Inc. specializing in Asian research

## Key Reasons to Invest

- A proven MANTRA (Mass Affluence, New Technologies, Restructuring and Aging) approach to global investing helps to identify and capitalize on global growth themes.
- May invest in securities of smaller less well known companies as well as those of large, well known companies.
- Seeks to reduce the risk associated with foreign investing by diversifying investments across many different countries and industries.

## Investment Approach

The fund manager seeks to identify North American and foreign companies with long-term capital appreciation characteristics. They may invest in mid-capitalization or large-capitalization companies. The manager seeks to reduce the risk associated with foreign investing by diversifying investments across many different countries and industries.
